EXECUTIVE BOARD MEETING

PRINCE MURAT DINING ROOM, BATON ROUGE, LA.

September 26, 1981

PRESENT: Janie Powell, Jo Ann Taylor, Jean Leyda, Larry Barnett, Donnie Wiltshire, Joe Sarpy, Kenny David, Jackie Vidrine, Ann Guidry Reed.

The Executive Board was called to order by president, Janie Powell. Janie stated that the next board meeting would be October 31st. at LSD. It was felt that LRID can show their support by attending LAD's meeting. The meeting will be held at noon so as to cause no conflict with the homecoming activities.

Donnie Wiltshire will sent notices to members whose dues are'nt current. An allotted time will be given to pay the dues then non-current member's names will be dropped. Two list will be kept an active members list and an inactive list. The active members names will be listed in the directory and the inactive list will be used for sending notice of workshops etc.

Janie spoke of a workshop on the National Law Center for the Deaf to discuss legal interpreting. This workshop would be 2 - 3 days in depth.

A suggestion not to have the workshop jointly with the Parlimentary Procedures workshop.

The board appointed the following for the Parlimentary Procedure Committee:

Larry Barnett
Ann Reed
Joe Sarpy
Max Ray

The board decided not to have any workshops in the summer. It was felt that the fall and spring is better. The first workshop will be scheduled after the school break in January. Possibly the 3rd. or 4th. week. Janie would like to combine the Law and Legal interpreting along with a mock evaluation.

Larry suggested alternates dates. January 2 - 23, and January 29 & 30. Larry suggested that the workshop be segmented so that individuals that work and could'nt come on Friday could come on Saturday and not miss part of something that had already been started.

Tee shirts with the LRID logo were discussed. Jackie said that Delgado could print them for us free. They could possibly be ready to sell by LSD's homecoming.

Jean was asked to phome RID for a current list of certified members.

Larry moved that the executive board suspend travel expense for the next 2 years. Donnie 2nd. The motion passed.

Ann moved that LRID limit its travel, meals, lodging, mileage, related expenses, i.e. phone calls, and postage etc. to a maximum of \$75.00 per scheduled evaluation effected immediately. Jean 2nd. Motion passed.

Larry moved that the checking account be transferred to the city where the treasurer resides and that the Savings account be transferred from Capitol Bank to American Bank due to its support of the Deaf Community. Jean 2nd. Motion passed.

A membership drive will be discussed at the next board meeting.

Jean moved that the dues be increased to \$12.00 every two years beginning November 1, 1981. Jackie seconded. Motion passed.
